## 2020-2021 Technology Device Usage Agreement

### Deer Creek Public Schools 1:1 Instructional Initiative

I acknowledge that I have reviewed the Deer Creek 1:1 Initiative Agreement, which details the initiative's goals, implementation policies and the care of the Chromebook or iPad (Device). I further understand that Deer Creek Public Schools will NOT issue a device to a student until his or her parent or guardian has signed this agreement.

#### I understand that my student is expected to:

- Take reasonable steps to ensure that the Device is not damaged or stolen.
- Keep the "Device" in the case supplied by the District at all times.
- Leave all Deer Creek Public Schools labeling in place and in original condition.
- Bring the "Device" to school charged every day.
- Use the "Device" at school and at home in a responsible manner.
- Only download free apps from the Apple or Chrome App Store to help with educational activities.

#### I understand that I am expected to:

- Ensure my student meets the expectations of the 1:1 Initiative as outlined in the handbook.
- Supervise and monitor my student's use of the "Device" away from school.
- Pay the cost of repairing or replacing the "Device" should the "Device" be damaged, lost or stolen or if the student leaves the Deer Creek School District without returning the "Device". I understand that these costs may be mitigated if I choose to participate in the Deer Creek Technology Protection Program.
- I understand that only "Devices" returned in the District-issued case will be covered by the "Protection Plan".

**\*Please check ONE box below and fill out information as needed.**

- I am choosing NOT to purchase the Student Technology Protection Plan. I understand that I will be unable to purchase the protection plan after my student receives their assigned device.
- Yes, I would like to purchase the Optional Student Technology Protection Plan for \$35.00 for the current school year. I understand that if the device is damaged there will be a deductible charged for repair of \$25 for the first incident and \$50 for the second incident. All other incidents will result in a charge of the actual cost of repair.
